

Taking the Deposition . . .
Wednesdays, Jan. 24 & 31, 1990
6:00 - 9:00 pm.

You will learn...

- important background questions to ask each witness

You will learn how to...

- prepare your witness to testify
- identify and use documents at the EBT
- make and meet objections
- effectively use favorable testimony at the time of trial
- obtain clear answers from the witness

You will learn when...

- you need to depose non-party witnesses
- to instruct a witness "not to answer"
- to "go for a ruling"
- you must ask a witness "follow-up" questions

Knowing the important questions to ask (and those not to ask) when you take the deposition can help you win your case at the time of trial. This two-night seminar will teach you key questions to ask at a deposition and how to effectively use testimony from the deposition at the time of trial.
